### A. Demonstration of Content and Knowledge

#### 1. Breadth and depth of knowledge of program content

| Learning Criteria   | Learning Statements  | Origin of Learning  | Supporting   |
|---|--|---|--|
| _   |  |   | Documentation  |
| Sophisticated level of knowledge permits critical assessment of subject matter and/or development of field, applicable principles or models | Synthesize formal theoretical principles of aid and development with our group's mandate by highlighting ways pertinent concepts relate in a cause-effect framework in order to evaluate the potential impact of current operations while identifying opportunities to support empowerment within the parent organization. | Yxxx Canada<br>November 20## -<br>Present   | Tab 9 Letter to Yxxx Canada Board of Directors                 |
|   | Explore the correlation between unregulated foreign intervention and aid dependency through the use of evidence based principles for intercultural relations in order to create an awareness of our group's impact on the future sustainability of the parent organization.  | Yxxx Canada<br>November 20## -<br>Present   | Tab 9 Letter to Yxxx Canada Board of Directors                 |
|   | Collaborate with members of allied professions by guiding the focused and timely implementation of each person's unique skills in order to strengthen the relationships between differing emergency services thus also resulting in an improved overall emergency services system.   | Provincial Health<br>Services<br>April 20## -<br>Present                                    | Tab 8 Letter of Attestation: Lxxx Bxxx                         |
|   | Facilitate pre and post mission discussions by compiling evidence based research into multi-media presentations and written reports in order to create an awareness of major issues effecting the local health care system while synthesizing the knowledge of a   | School of XXXX January 20## – Present unspecified aid organization September - October 20## | Tab 11 Beyond Disaster Relief Essay  Tab 10 Bxxx Team Briefing |

| community's development status with the capacity of international and local professional practice.   |   | Tab 6 Letter of Attestation: Gxxx Sxxx   |
|--|---|--|
| Promote community mindfulness through consistent self-assessment by facilitating a process that outlines the unforeseen interdependence resulting from globalization in order to create a deeper understanding of the broader vocational and cultural aspects of a project while identifying opportunities for sustainable systemic change within a human service agency.  | School of XXXX January 20## – Present   | Tab 14 Ixxx Credit Proposal  Tab 15 Your Passport to Global Citizenship Workshop ppt.  Tab 16 Your Passport to Global Citizenship Workshop Notes |
| Design a culturally relevant training program by working with local stakeholders to identify problems, define terms, develop content and discuss social considerations regarding methodology in order to promote the pertinence and efficacy of intervention while embodying the principles of ethical volunteering as understood in the field of international relations. | Y2xxx Foundation February 20##  unspecified aid organization September - October 20## | Tab 17 Pxxx Sexual Health Discussion  Tab 18 Y2xxx Program Synopsis  Tab 13 Bxxx Healthy Relationships Discussion                                |

#### 2. Understanding of theory/concepts related to program content

| Learning Criteria  | Learning Statements  | Origin of Learning                        | Supporting Documentation                       |
|--|--|---|--|
| Monitors and assesses developments and changes in the field based on | Interpret the principles surrounding the cause and effect relationship of foreign aid by brainstorming potential outcomes to pre-determined goals in order | Yxxx Canada<br>November 20## –<br>Present | Tab 9 Letter to Yxxx Canada Board of Directors |

| theoretical understanding; develops theory where appropriate; works independently with resources, concepts and/or theories | to advocate for the best interest of<br>the recipient organization and<br>formulate a scope of influence for<br>which to base future operations.  | Canadian University #1 March 20##– December 20##               | Tab 20 Problem Tree Diagram  Tab 21 Solution Tree Diagram |
|--|---|--|---|
|  | Integrate evidence based research with program development through an analysis of the formal development indicators pertaining to a specific a community with the aim to build a foundational knowledge regarding the cause and effects of poverty leading to an ethical and realistic plan for intervention. | unspecified aid<br>organization<br>September -<br>October 20## | Tab 10<br>Bxxx Briefing<br>Tab 22<br>X-KAPS Survey        |
|  | Express the importance of supporting sustainability through a contrast of outcomes between scenarios involving too much and too little foreign influence in order to advocate for the self-determination of the parent organization including a future free from dependence on our group.                     | Yxxx Canada<br>November 20## -<br>Present                      | Tab 9 Letter to Yxxx Canada Board of Directors            |
|  | Reinforce principles of transparency and accountability by framing my suggestions with the theory found within international development in order to promote an ethical relationship between our group, our supporters, and the parent organization.  | Yxxx Canada<br>November 20## -<br>Present                      | Tab 9 Letter to Yxxx Canada Board of Directors            |
|  | Assess our group's ability to promote sustainability by comparing the current method and mindset of fundraising with other forms of income generating activities with the aim to decrease dependence on outside funding   | Yxxx Canada<br>November 20## -<br>Present                      | Tab 9 Letter to Yxxx Canada Board of Directors            |
