

## **Research Assistant Opportunity Casual Position (R1)**

**Start Date:** as soon as possible

**Overview:** Alternative Assessment research

This project will involve communicating with participants, creating research instruments and collecting and analyzing data.

### **Specific activities include, but are not limited to:**

- literature review
- workshop design
- data collection instrument design
- project management (data collection, data analysis and interpretation, report writing and preparation of manuscripts for publication)
- assist with the development and organization of study documentation, forms, and resources
- regularly meet with the Principal Investigator and/or Research Team

The successful candidate will work with, and directly report to, Dr. Eliana Elkhoury at Athabasca University.

All meetings and individual and collaborative work will be conducted online.

### **Qualifications:**

- Graduate student or graduate degree
- Experience with qualitative and quantitative research
- Preference will be given to applicants who have experience conducting interviews, teaching and using alternative assessments. Knowledge of assessment pedagogies is preferable.
- Good communication skills required
- Proficient writing skills
- Familiarity with qualitative/quantitative methods

### **How to apply:**

Qualified individuals are encouraged to submit their application by email to Dr. Eliana Elkhoury at [eelkhoury@athabascau.ca](mailto:eelkhoury@athabascau.ca). Applications should include (as a single PDF file) a brief cover letter that summarizes your skills, interests and experience and a current resume.

Evaluation of applications will begin immediately and will continue until a suitable candidate is found. All applicants are thanked for their interest in this position; however, only candidates selected for an interview will be contacted.

The hourly wage for this position is \$19.01 - \$21.07 per hour.

Athabasca University and the researchers are committed and seek to support equity in employment and research opportunities. We strongly encourage applications from Indigenous people, people of colour, people with disabilities, 2SLGBTQ+ people, women, and other historically marginalized groups. Applicants are welcome, but not required, to self-identify in their letter of application.

For more information on this Research Assistant Opportunity, please contact Eliana Elkhoury, PhD at [eelkhoury@athabascau.ca](mailto:eelkhoury@athabascau.ca)
